Listen to the voters

VENICE ISLAND

have other thoughts?

PLEASE BUILD A PARKING GARAGE RIGHT HERE ON THE CITY HALL PARKING LOT.

BECAUSE: 1. CITY OWNS THE PROPERTY
2. LOCATION WOULDN'T BE CHALLENGED SINCE THIS LOCATION IS NEAR FIREHOUSE, APTS & MOTELS RIGHT ACROSS FROM TENNIS COURTS, BASKETBALL COURTS ETC.
3. IT IS WITHIN SAFE WALKING DISTANCE TO VENICE AVE MAIN STREET. THE HEART OF THIS COMMUNITY

WHY SPEND A MILLION DOLLARS TO PURCHASE PROPERTY FOR A GARAGE SITE WITHOUT FIRST INVESTIGATING IF THE AREA IS A SUITABLE, SAFE AREA, THAT WON'T BE CHALLENGED

have other thoughts?

Save the area around
Sleeping Turtles Preserve

Limit or prohibit
development!

Save what we have!
conserve!

have other thoughts?

Wellfield Park –

Keep it natural – it is already a "recreational use" for walkers & runners.

They don't make noise or come @ 100 @ a time (~~H~~ like organized sports activities)

but they access the park all daytime hours

ISLAND

have other thoughts?

PRIORITIES: ① CONSERVATION + PRESERVATION

② TRAFFIC - BETTER PATTERNS + MORE OPTIONS, eg. SHUTTLES, CARS, ONE-WAY patterns such as TAMPA → W, MIAMI → E, CLOSE VEN AVE TO ALL EXC SHUTTLE. MORE PARKING + SHUTTLES TO DOWNTOWN.

③ COMMUNITY SVCS INCLUDING HELP FOR HOMELESS + THOSE IN NEED. THIS WILL CONTINUE TO GROW + BECOME MORE DIFFICULT THE LONGER IT IS IGNORED.

④ DEVELOPMENT CONTROLLED + PAID FOR - INCL INFRASTRUCTURE - BY BUILDERS, NOT TXP'RS.

→

have other thoughts?

more shopping
in No. Venice
to keep traffic
out of East Venice
feeder roads

have other thoughts?

Venice Island

more- Parks & preservation

Don't let this become Sarasota

Planes are not obeying neighbor friendly fly zones. Banner planes are for big cities not small towns.

- Retirement community

ISLAND VENICE

have other thoughts?

WE NEED a PARKING GARAGE

INCORPORATED INTO THE CITY (OWNED) EXISTING

PROPERTY. WHY NOT REFER TO SMALL CITIES

THAT HAVE ADDED GARAGES, WHILE STILL MAINTAIN

THE RECREATIONAL AREAS

FOR EXAMPLE: Hollywood FLORIDA REDESIGN

THEIR EXISTING PADDLE BALL, COURT BY ADDING

PARKING GARAGE, KEEP PADDLE COURT AREA; ADDED

PICNIC AREA & CHILDREN WATER SPLASH AREA IN SAME

AREA: TAKES INNOVATIVE DESIGNERS

ISLAND VENICE

have other thoughts?

MORE BICYCLE LANES AND STREET SIGNS ALERTING DRIVER THAT WE ARE a BICYCLE FREINDLY COMMUNITY.

ISLAND

have other thoughts?

LAND DEVELOPERS HAVE TOO MUCH INFLUENCE (ie & to support council members) To their benifit and not the people of Venice.

What happened to the original plan that the voters voted on that the council ignored!

(5) PARKS + HABITATS PRESERVED + ADDED. PUBLIC LANDS PRESERVED + USED AS INTENDED, NOT FOR PROFIT.

BICYCLE LANES ON VENICE AVE, AND ON PINEBROOK BTWN WELLFIELDS & VEN AVE

Connect Auburn Rd to Bypass 41

Increased development (houses) in other areas of Venice cause increased traffic on East Venice Ave., Pinebrook, Capri Isles + Auburn. Turn lanes, wider sidewalks, traffic calming strategies are needed.

Sidewalks should be wide as they are in East Center Road because traffic is too fast to use bike lane with bicycles

Connect E Venice Ave to the island by bus

TRANSPORTATION - PUBLIC is necessary for many residents and especially for visitors. Since a large percentage of the population use personal vehicle - maintaining infrastructure as well as expansion of some to meet of increasing requirements is crucial

More Connecting roads to relieve Traffic on Main Roads

better synchronization of lights at 41, just before the bridge + intersection of Venice Ave & Business 41

More ways to get from point A to point B east of the By Pass

Land Use & Dev

contiguous bike lanes - regulation-sized

Slow development on East Venice Ave

more bike lanes - wider. > greenspace with benches, more concrete - outside

Slow down development in East Venice - where is everyone going to go? Onto Venice Island - Bridges -

Develop only when Roads are able to handle Traffic.

DON'T LET VENICE BECOME MORE AND MORE LIKE FLORIDA'S EAST COAST RESTRICT LARGE SCALE HOUSING & AN COMMERCIAL DEVELOPMENT

LAND use & Development should be kept at levels that maintain the charm and unique experience that is Venice - which is what is so attractive about our city

The East Venice Ave area should not receive a greater density than at present

The new North Venice developments are bringing more traffic to the feeder roads of East Venice neighborhood

limit strip malls - the ones already there are mostly vacant. Do not want a "mini-41"

Do not increase building hight

Maintain Venices best qualities:
- easy access to beaches - w/o charge
- manageable traffic - off season. (in season - need to coordinate bridge raising
- 90-ly year Parking on Island is fine, Shuttle service from library.
- slow down development - need a moratorium for road improvement to catch up

Housing

Bike more Bike Lanes

another downtown Venice East of 75 (Knights Trail area (?) - Restaurants, Movie - Like the Villages - so people don't have to drive West all the Time, Boating on a Lake -

need broader range of affordability of housing

Slow down density in Remaining open land in East Venice

fewer single family homes on individual lots

Don't Build all mega houses!

Mixed Use Community/ Cluster housing

Affordable Housing

Parks

More neighborhood parks accessible via sidewalks in developing areas.

PURCHASE PARCELS SOUTH OF VENICE AVE, EAST OF COUNTRY CLUB WAY, CONVERT TO PARK

more planting of trees for better air quality of medium density neighborhood EAST venice

PARKS & Rec are an integral aspect of life in FLORIDA in general and Venice - SARASOTA in PARTICULAR. With a large percentage of the population being retired, citizens rely very much on services provided by PK & Rec - BOTH on LAND or WATER

Econ. Dev.

If We Want more business We need housing (Affordable) house To Workers Within driving distance

Road infrastructure - North/South East/West need to coordinate road development w/ County/State -

More Density = More Traffic = more pollution & Not the Reason we moved to venice

Comm. Pres.

MOST IMPORTANT IS TO PRESERVE THE SMALL TOWN ATMOSPHERE THAT BROUGHT MANY PEOPLE TO VENICE

- city needs to recognize that Venice has a varied architectural history that should be preserved - not just Mediterranean Revival or Northern Italian

Comm. Serv.

LIBRARY Services in Venice are excellent the importance of maintaining that level of professionalism cannot be understated and should not be diminished - IT IS THROUGH LIBRARIES that our unique local + national culture is retained and passed onto future generations

Env. Cons.

Developer must preserve a percentage of individual mature trees on land to be developed. Preserves necessary but don't count towards this

plant more trees developers have to plant 1 tree for each tree that is destroyed

please conserve (county or State buy out) of any remaining open land in East Venice

ENVIRONMENTAL BUFFERS AROUND ALL EXISTING WATER COURSES AND WATER RETENTION AREAS

Stop filling in wetlands

Conserve Open Land on East Venice Ave
