

It's okay to ask for help...

Your quality of life matters.

Personal care services are part of your plan.

When you have health concerns, a little extra help can go a long way. That's why your health benefits include personalized services—for care, support and understanding that helps improve the quality of your life, and make health care decisions easier for you and your family.

Whether you're pregnant, or have a common cold, a chronic condition, a complex condition, or even an unexpected health crisis—there's extra help available to you.

- One-to-one health care professionals for support, guidance and answers to your questions.
- Personalized information based on your health care needs, such as health action plans, educational materials and community resources.
- Assistance with coordinating your care with multiple doctors.
- Quality treatment options and cost estimates based on your plan benefits, including office visits, medication, x-rays/images and surgical services.
- Education and support for the member, family and caregiver.
- You choose the level of assistance that you're comfortable with, and decide what's right for you. There's no cost to you, and your medical information is kept confidential.

You'll have help along the way, so you can focus on what matters most.

GENERAL OR URGENT HEALTH CARE QUESTIONS

Health questions can come up at any time; and you don't have to wait for answers. You'll get answers, plus helpful resources that you can use. Whether you have an immediate health concern, or a general question about your doctor's plan of treatment—**the nurse line is always open at 1-877-789-2583.**

PREGNANCY AND CHILDBIRTH

This is the perfect time to join our Healthy Addition® program. It's a pre-natal education program, and particularly important for those with high-risk pregnancies. You can talk with nurses, and they'll walk you through steps for a healthy pregnancy, birth and baby. Enjoy free educational materials and complementary gifts. **To join, call 1-800-955-7635, Option 6.**

PERSONAL CARE SERVICES, AT NO COST TO YOU

If you have an unexpected illness or even a long-term health condition(s), it helps to know what actions to take to manage your health for a better quality of life. We can help with your immediate health concerns and explain what resources are available to you. We have dedicated nurses and programs designed to help you manage chronic conditions such as:

- Diabetes
- Asthma
- Chronic Obstructive Pulmonary Disease (COPD)
- Coronary Artery Disease (CAD)
- Heart Failure
- Depression
- Behavioral Health

Specialized care that requires close monitoring:

- Coordination of complex medical conditions, such as Cancer, Crohn's Disease, Hepatitis C, Multiple Sclerosis, Multiple Trauma, Rheumatoid Arthritis—and more.
- Physician home care for members confined to their home¹.
- Palliative or Pain management care to help relieve the pain, symptoms and other stressors of a serious illness.
- Hospice care management for individuals and families dealing with a terminal illness.

We're here to help you understand what you may experience with your condition, help you prevent complications and provide you with extra peace of mind. So you can focus on staying well. **To find out about services available to you, call our Care Consultants at 1-888-476-2227.**
