

City of Venice Comprehensive Plan Update Public Workshops at the Venice Community Center

VENICE 2017-2027 DRAFT COMPREHENSIVE PLAN

Preserving Our Past ~ Preparing For Our Future

The comprehensive plan is a planning document required of local governments by the state of Florida. It endeavors to provide a vision for the community over the next decade. It addresses community growth including elements such as land use, traffic, housing, infrastructure, parks, impacting the quality of life in Venice.

The City of Venice will be holding a second round of public workshops to present the initial draft comprehensive plan. Different from the first round of public workshops, each of these meetings combine presentations of the entire draft Plan, including an overview for all neighborhoods eliminating the need to attend multiple meetings. The following meeting dates are scheduled for presentation of the draft Plan and to provide information on how public comments may be submitted:

Meeting Dates/Times:

- *Tuesday January 31, 2017 from 5:00-7:00 PM**
- *Wednesday, February 1, 2017 from 5:00-7:00 PM**
- *Thursday, February 2, 2017 from 5:00-7:00 PM**

**Each meeting will include the same draft Plan presentation.*

Location: Venice Community Center, 326 Nokomis Ave. S., Venice, FL 34285
