**WHEREAS**, pursuant to Article VIII, Section 2 of the Florida Constitution and Section 166.021, Florida Statutes, municipalities shall have the governmental, corporate, and proprietary powers to enable them to conduct municipal government, perform municipal functions, and render municipal services, and may exercise any power for municipal purposes, except when expressly prohibited by law; and

**WHEREAS**, the City Council has determined that it is in the best interest and welfare of the City to consider the adoption of an ordinance revising the requirements for Planned District amendments ("Pending Ordinance") to ensure compatibility and other zoning interests; and

**WHEREAS**, the City has considered the limitations of Section 14 of Chapter 2023-304, Laws of Florida and finds the Pending Ordinance does not propose more restrictive or burdensome amendments to the City's land development regulations or more restrictive or burdensome procedures concerning review, approval, or issuance of a development permit or development order; and

**WHEREAS**, the City desires to invoke "zoning in progress" until such time as it adopts the Pending Ordinance, and places all parties on notice that it is considering such regulations and that parties applying for an amendment to a Planned District shall be made subject to the ultimate determinations to be made by the City Council.
