

CITY OF VENICE

Building & Code Enforcement Department

Inspection Affidavit for HVAC Duct Sealing & “Replacement” Equipment Sizing

(As per 2017 Florida Building Code - Energy Conservation 101.4.7.1.1 & 101.4.7.1.2)

Permit #: _____

I (print) _____, License #: _____ licensed as a Mechanical Contractor sealed all *accessible* joints and seams having a minimum of 30” clearance in the air distribution system in compliance with the 2017 Florida Building Code - Energy Conservation, Section 101.4.7.1.1.

NOTE: This affidavit must be **signed** and **attached** to the Air Handler with the “Equipment sizing calculations” by a Nationally Recognized Method for the total replacement of the C/U and A/H components, as per 2017 Florida Building Code - Energy Conservation 101.4.7.1.2. The affidavit must be verified **before** the inspection is performed. It will be retrieved by the inspector and filed with the Building Department.

Signature of Contractor _____

Date: _____
