Inspection Affidavit – Mechanical Roof Stand Attachment

I, (print) _____, licensed as a Mechanical Contractor Engineer Architect
(License # _____) on or about (date and time), _____, did personally inspect the
Mechanical Roof Attachments and found the Stand(s) have been mounted and fastened in accordance with the 2020
Florida Building Code / Product Approvals and approved plans for the work located at:
(job site address) _____

NOTE: Roof Stands are to be installed by the mechanical contractor pursuant to Florida Statute 489.105(f).

The associated roof repairs are to be done by a Licensed Roofer (F.S. 489.105(e)) and to current Florida Building Code.
This affidavit is in lieu of a stand inspection (“roof in progress”).

Affidavit must be presented with permit at time of Final Inspection for job approval.

Based upon that examination, I have determined the installation was done in accordance with the 2020 Florida Building Code and/or the approved plans.
