

# \$100 Account Credit!

For replacing your high-flow toilet(s) and urinal(s)  
with an ultra low-flow fixture

More than 45 percent of water use in the average American home occurs in the bathroom, with nearly 27 percent being used by toilets. Lower your usage and your water bill by replacing your high-flow toilet(s) and urinal(s) with an ultra low-flow fixture (ULF- 1.28 gallons or less per flush).

**Only homes or buildings built prior to 1995**

**will be eligible for the rebate.**

This program is cooperatively funded by the City of Venice and Southwest Florida Water Management District

## Ultra Low-Flow Toilet and Urinal Rebate Program

How to participate:

- ◆ **Prior to purchasing toilets**, you request an application from the program administrator at:  
[\(941\) 882-7310](tel:9418827310) or [smckenzie@venicefl.gov](mailto:smckenzie@venicefl.gov)
- ◆ The program administrator will verify your water account information. If you qualify you will receive an application and the program policy and procedures in the mail or through email. Complete the application and proceed with the purchase and installation of the ULF toilet.
- ◆ Submit completed application, ULF sales receipt(s) and pictures to the program administrator at:

**City of Venice Utilities Dept  
Toilet Rebate Program  
Program Administrator  
200 Warfield Ave. N.  
Venice, FL 34285 OR  
[smckenzie@venicefl.gov](mailto:smckenzie@venicefl.gov)**

- ◆ For rebate consideration the program administrator may schedule an on-site installation verification visit to confirm that high-flow toilet was replaced with a ULFT. Disposal of the old high-flow toilet is the responsibility of the customer. Do **not** dispose of the old toilet lid(s) until instructed by the program administrator. This may be used for verification.
- ◆ After successful completion of verification, you will receive the appropriate rebate(s) of up to \$100 for the first toilet/urinal you replace and \$80 for the second (limit two). The rebate will be applied to your water bill.
